SAM BEIGHLE

M.S. BUSINESS ANALYTICS

Welcome to my Github,
My name is Sam Beighle, I am pursuing a Master of Science in Business Analytics from the University of Montana. I also currently work as a Graduate Assistant on campus and am the Head Boys Basketball Coach at Sentinel High School in Missoula, MT. I have worked as a Product Analyst Intern for Farmers Insurance and owned two different businesses that helped enhance my analytical skillset. Feel free to browse my repositories to see some of my previous work.
